## **EDU SPONSORSHIP PROGRAM**

The EDU sponsorship program is a corporate sponsorship program provided by Bang Golf, Inc. to help students involved in golf games to get the best quality golf equipments at the most affordable cost. This is a semi-sponsorship program, considering the vast coverage and far reach of the program.

To qualify for this program, applicants must be a staff member or student of any certified schools, colleges and universities within the United States and Canada, and they must be involved in golf gaming of their current educational institution. Qualified staff and students are welcome to contact Bang Golf's EDU sponsorship department to open an account under the EDU sponsorship program with proof of identification.

Under the EDU Sponsorship program, staff and student can receive the following Bang products of their choice: one or two drivers, two fairway woods, three hybrids, an iron set of any combination including wedges, and one putter, at 50% off retail price within each 6 months. This is priced below manufacturer's cost and is covered by Bang's product warranty.

Also, under the EDU Sponsorship program, a staff or student can choose any Bang branded golf bags, golf apparels (shirts, windbreakers, vests, caps, visors, towels, etc.), gloves, shafts and all other Bang components at 50% off the component retail price. Each person is limited to one item per product model within each 6 months.

All retail price information is available on Bang Golf's web site, [www.banggolf.com](http://www.banggolf.com). Staffs and students shall be responsible for all shipping expenses. For California residents, state sales tax will apply.
